Atlanta Business Leader Appointed to International Faculty

Arthur Schoeck Invited to Share Expertise Across Borders

Atlanta, GA (Feb. 11, 2010) – Arthur Schoeck, Founder and CEO of Data Dome, INC., was recently appointed to be a member of the International Faculty created by Target Training International (TTI). The appointment was announced at the TTI Winners' Conference in Scottsdale, Ariz.

Members of the International Faculty must meet stringent criteria and undergo a rigorous application process. "Members of this Faculty are accomplished leaders in the fields of consulting, coaching and training." Said Bill Bonnstetter, Chairman of TTI, "They are the experts, the best in the world in the areas of organizational development and improving results by increasing the effectiveness of people at all levels."

"It is a privilege to be accepted as a peer amongst such distinguished experts." said Schoeck.

About Data Dome Inc.: At Data Dome we believe that the "one size fits all" approach to people simply won't get you the results you need. To build successful teams, to disarm toxic cultures, and to enable extraordinary achievement requires precise, nuanced, assessment information and skillful interpretation. Data Dome maintains a broad palette of the most advanced and objective assessments tools available anywhere. We work with you to select the tools that best fit your objectives, and then train you in how to use them so that you can solve any HR puzzle with the confidence that comes from having rich, accurate and actionable information. To find out more visit our website: <http://www.datadome.com>.

About Target Training International: Based in Scottsdale, Ariz., Target Training International (TTI) is the leading developer and marketer of research-based, validated assessment tools to help businesses and organizations effectively meet their human resource needs. Its products are used by over 7,000 Value Added Associates in more than 50 countries and are available in 26 languages.

About The International Faculty: Created by TTI in 2004, The International Faculty is a unique group of professionals in the business consulting, coaching and training industry. International Faculty members are known professionals in their field and bring a unique expertise to the Faculty. From every corner of the globe, they collaborate to provide global organizations with timely solutions that surpass the challenges of geographical boundaries.
